

CALTRANS COMMUTER ALERT

06-170

Date: Thursday, June 15, 2006
District: 8 – San Bernardino
Contact: Terri Kasinga
Phone: (909) 383-6799 (work)
(951) 232-4268 (cell)

PAVING PROJECT BEGINS ON ROUTE 395

Kramer Junction – Caltrans begins a six-mile asphalt-concrete paving project on Route 395 on June 15, 2006. Lane closures for the project will begin on Monday, June 26, 2006. The work will take place on 395 just north of State Route 58 in an area also known as Kramer Junction.

The work hours are from 7:00 a.m. to 6:00 p.m. Monday through Thursday. One lane will be closed and one lane open with traffic control utilizing flagging and a pilot car. The lane closures will be approximately 1-1/2 miles and traffic delays are expected to be minimal. No work will be done on Fridays through Sundays to allow for smoother traffic flow for travelers.

The project is expected to be complete in late July 2006. If you are traveling in the desert, please remember to prepare for your trip. Always bring water, snacks, medications, and make sure your car is running properly. For summer roadwork on state highways, please call us at (866) 383-4631 or go to our website at www.dot.ca.gov/dist8.

When you come to the construction area, slow down and give the highway workers a brake. Their life depends on it – *slow for the cone zone.*
